Our San Antonio association continues to one of the top chapters for the State of Texas, providing outstanding educational content for our members and great opportunities for networking.

Our Annual Education Day for 2015 brought more than 160 attendees, over 18 vendors and some of the best content we have offered to date. Reid Rasmussen (Fresh Benies) and Carolyn McNairy (TASC) kept a long day of CE fun and informative.

Coming up the First week in May, we are so excited to be the host city for the Annual TAHU Convention. We are expecting a great turn-out from all across the state to the beautifully remodeled La Cantera Resort. Our own President-Elect Nedra Clingan is heading up the convention committee and is working hard to bring some of the best and brightest innovators in our industry to share with our members.

We look forward to seeing you soon at one of our upcoming events. As always, we are here for our members, please feel free to go the SAAHU website for contact information and reach out to us.

Thank you, Carla
