We have just wrapped up one of the best TAHU conventions I have attended and are still receiving feedback about its success. During the convention I had so many people approach me commenting on our beautiful city, our exceptional SAAHU members and the success of this event. We all owe HUGE thank you to President-Elect Nedra Clingan for her tireless efforts. Nedra was the recipient of the Presidential Service Award from NAHU President Ryan Thorn. This award is given to exceptional NAHU members who go above and beyond to make a difference for our association. If ever there was someone who deserved this award, Nedra certainly fits that description.

Another award winner at the TAHU convention was Nicole Scott, winning the TAHU Tom Schilling Outstanding Texan of the Year Award. We are so proud of Nicole and her continued efforts at the state and local level to insure the success of our association and it's members.

We are welcoming Eric Johnson of Comedy CE and Fresh Benies along with HR Expert and Attorney, Vanessa Johnson to our May luncheon which will be held on May 27th. They will be offering a two hour CE on the impact of King V. Burwell.

Coming up in June we will welcome NAHU President Ryan Thorn to our luncheon on June 17th. He will conduct the officer induction and present a one hour CE. We will also be honoring some of our local award winners.

We look forward to seeing you soon at one of our upcoming events. As always, we are here for our members, please feel free to go the SAAHU website for contact information and reach out to us.

Thank you,
Carla Adams
SAAHU President
